

721—26.4(50) Absentee and special voters precinct. The absentee and special voters precinct board shall tabulate ballots in the manner appropriate to the voting equipment, if any has been provided.

26.4(1) If an optical scan voting system is used, the board shall follow the procedures in subrule 26.2(2).

26.4(2) If paper ballots are to be counted on voting machines, the board shall follow the standards in Part III for counting paper ballots and record the votes on the voting machine.

26.4(3) Rescinded IAB 8/1/07, effective 7/13/07.
